

CVACTA Mock Horse Trials

Saturday, May 10, 2008

Mock Horse Trials will be offered at three levels:

Introductory: USDF Intro Test B, fences up to 2'

Beginner Novice: USEA BN Test B, fences up to 2'7"

Novice: USEA Novice Test A, fences up to 2'11"

The Mock Trial will consist of a Dressage Test, a Stadium Round, and a Cross-Country Run. Optimum times will be provided, but you will be responsible for keeping your own times, so remember to bring a stopwatch. Competitors may complete XC alone or in pairs. Dressage tests will be scored for your information only. This is not a competition; therefore, you will not be awarded ribbons, BUT you will have a good time!

Participation limited to CVACTA club members. Cost to participate is \$25 per horse and rider combination. Multiple rides will be accommodated, as space is available.
