We have rented the General's Quarters, a stand-alone house that sleeps 6.

<http://www.innatkellysford.com/accomodat.html> I have also rented 6 stalls in the Equestrian Center. We have arranged for Chris Hitchcock to come up on Saturday to work with us. He is able to school us xc or show-jump or both, depending on the wishes of participants. Jumps on the lovely xc course run from Intro to Training. Show jumping ring is very nice and horse shows are held there regularly.

Costs are as follows: If we have 6, the house costs \$ 41.60 per night per person. Board for the horse is \$ 20.00 per night. Cost for Chris depends, on the number of participants or groups he needs to teach, but the most would be \$ 75.00 per session and could go down a fair bit if we get at least 6-8 people.

Checkout is 12 noon on Sunday.

There is a Wine-tasting dinner on Saturday night at the restaurant on site.

It's going to be fun!
