A family discount for those members with juniors or a husband and wife who want to be members was pushed to a later date for a decision.

Because the hunter pace was such a success Pat asked if we should consider more hunter paces as a good “money maker”. All were agreeable.

The board refined details of the partnership between CVACTA and Fox Tale Farm and will be ready to present details at the September general meeting.

Nicole Smith was asked to get dates approved for the Campbell Springs Farm CT's for March and April.

For the spring HT we may have a team challenge with awards for members. The nonmember fee will be \$70 and members \$50 which we hope will encourage new members.

The Team Championships will be held again this year in Tryon, NC the 1st of Oct. We need to find out if there is interest in going.

Volunteers are needed in all areas and juniors would help increase the numbers. We hope to get this approved at the Sept general meeting on 9/27/11.

Volunteers are needed for the Tuckahoe CT. Margaret Little will be the judge.

Two volunteers are needed for the Christmas party being held at Sandi Nelson's.

The bylaws will be discussed and voted on at the Sept meeting.

We would like to have a clinic the first of Nov and Debbie Rodrigez or Lauren Sprieser have been mentioned as possible clinicians. To be determined by who is available.
